'Friends on and off the green'

## Welcome!

Welcome to the Ibstock Bowling Club. I hope that you spend many enjoyable years with us and are able to make many new friends within the bowling community. We appreciate that joining a new club can sometimes be a little daunting therefore you will initially be assigned a 'buddy'; this is so that you have a point of contact in our Club and it is our aim that they will provide continuity for you. Please feel free to ask them questions so that your transition into our Club is a seamless one.

We have around 30 playing members, although are actively recruiting more members to the club. All of our matches are mixed matches (men and ladies), as are most of our internal competitions. You will have the opportunity to play as many or as few of these games as you are able.

We also run a number of social events in the summer, and throughout the winter, so that we remain in touch outside of the summer season. (We also have a winter roll up, one day a week, at the Barwell Indoor Bowling centre).

Like all voluntary organisations, we depend on our members to volunteer, either on an ad hoc basis or on a more regular basis, perhaps as a committee member, if you feel you would like to. We will never turn down a willing offer!

I look forward to joining you on the green.

*Linda.*

## **Our History.**

Founded in 1929, Ibstock Bowling Club has always been run and maintained by its members and has a reputation of having one of the finest bowling greens in the county. We have excellent changing facilities, great competitors and a very friendly sociable membership. We were one of the first clubs in Leicestershire to adopt mixed bowling which has now spread throughout the county.

Both men and ladies are able to play in weekly league competitions and to enter club and county competitions each year. Each Saturday we play a friendly match against other teams from across the county, as well occasional Wednesday evening friendly games.

Chummy mornings held every Wednesday, and Friday evenings, and are especially popular for a social game of bowls followed by refreshments.
